

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ Pursuant to IRC Sec. 301(C)(1), the portion of a distribution, which is a dividend (as defined in IRC Sec. 316), is includable in gross income. Pursuant to IRC Sec. 302(C)(2), the portion of a distribution, which is not a dividend, shall be applied against and reduce the adjusted tax basis of the stock.

18 Can any resulting loss be recognized? ▶ No loss will be recognized as a result of any non-taxable return of capital. A loss may be realized upon the disposition of shares.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶ Pursuant to IRC Sec. 6045, brokers are required to reflect these adjustments in the cost basis reporting for covered securities. If a broker is not required to provide cost basis to a particular shareholder, the cost basis of the shareholder's shares should be adjusted as of the distribution date to reflect the return of capital described above. The final amount of taxable dividends and non-taxable return of capital (i.e., non-dividend distributions) will be reported to shareholders on their 2016 Form 1099-DIV.

Under penalties of perjury, I declare that I have examined this return, including accompanying schedules and statements, and to the best of my knowledge and belief, it is true, correct, and complete. Declaration of preparer (other than officer) is based on all information of which preparer has any knowledge.
